DISCIPLE'S COHORT

A small group of people who meet weekly via zoom to learn the carpenter's tools for experiencing the abundant life He came to bring.

Next Cohort starting up March 2025!

If you have heard the concept of the abundant life but are having a hard time experiencing it, a Disciple's Cohort might be for you. A Disciple's Cohort is a small group (6-8 people) who meet via zoom on a weekly basis for 6 months. During this time you will be introduced to the carpenter's tool box. A set of tools that Jesus used to develop His disciples to carry on His mission. You will see how Jesus used them and learn to use them yourself to experience the abundant life He came to bring. If you are interested, sign up and Jeff will schedule all the details with you and the rest of the members of the cohort.

Family on Mission (or FOM) groups operate like an extended family on mission, united around bringing God's kingdom to the world around us. Each week, they meet in homes to journey through life and discover what it means to live as a family on mission. Our heart is that you will join a Family on Mission!

Visit our website for locations, days, times and more.
